Subject: Letter of Appreciation – CyberShadez 2026

On behalf of the Faculty of Engineering & Technology, GLS University, we extend our sincere appreciation to Anvi Panchal [redacted] for her outstanding leadership and dedication in successfully coordinating CyberShadez 2026.

As a Student Coordinator, she efficiently managed the Track 3 events, which witnessed participation from 300+ students, demonstrating exceptional organizational, managerial, and leadership skills. Her ability to coordinate speakers, oversee event execution, manage logistics, and ensure smooth operations was instrumental in the grand success of the festival.

In particular, the flagship event "Rise of Agent – No Repetition. Just Automation." showcased her forward-thinking approach by introducing students to practical automation using n8n. The event reflected strong planning, structured execution, and impactful technical engagement.

CyberShadez 2026 was made possible through her commitment, vision, and execution excellence. Her contribution significantly enhanced the academic and professional exposure of participating students.

We highly appreciate her efforts and wish her continued success in her future academic and professional endeavors.

With best regards,

Faculty of Engineering & Technology
